Hello Melrose BID Commercial Property Owners...

I'm writing to identify the priorities of Melrose commercial property owners east of La Brea to Highland as to what specific improvements would make the area better for business. This area is part of the Melrose Business Improvement District ("Melrose BID") and there is funding available to do this work. So, what do you think?

Please hit "reply" and list your 3 to 5 highest priorities. We'll ask all property owners to rank the nominations later.

Possibilities might include:

- Manage homeless issues;
- Clean the streets and alleys;
- Install crosswalks;
- Fix the sidewalks;
- Plant street trees that don't obstruct views of the businesses;
- Fix the alleys;
- Add pedestrian lighting on the sidewalks;
- Add alley lighting;
- Other improvements.

Your participation is essential or someone else is going to make decisions here. Please take a moment to share your thoughts.

Thank you.
